2014-15 Representative meetings: Activity Representatives began giving names for next year's activities- we will be following up with all coaches and directors for name so we have a full roster for next school year.

All Star Game summary: Lance asked about letter received asking for \$250 donation to cover all RHS students who participate. Booster club hasn't supported the All-star games in the past due to donations were requested for individuals versus entire student population. Lance will get more information and bring for discussion later. Want to meet and also discuss with LHS and WHS booster presidents first.
