The girls on the State team are Alyssa Bierwagen, Laramie Giles, Jessalyn Ketcham, Kylie Werner, Jadalyn Fenderson, Danielle Howard and Madison Howard. The alternate is Kaedyn Chamberlain.

The boys finished 2nd to Lincoln and it looks to be LHS and RHS battling for the state title. The boys on the State team are Blake Chesley, Thane Hein, Seth Iverson, Davis Johnson, Isaiah Lee, Jayden Slaba and Colin Ferri. The alternates are Matt Knox and Jacob Whempner.

Good luck to all of the kids and congrats on a great year.

Boys Tennis- Tom Barr

Activity Report: The boys are out of season, but many (if not all) of the players have been participating in individual and group lessons and/or leagues.

Girls Tennis- Terry Grove

Activity Report: The Girls Tennis Team finished the season in Rapid City at the State Tournament. The Girls Tennis team every few years misses Homecoming because of the tournament calendar. This is especially difficult for our seniors when the state tournament is held in Rapid. The tournament was a three day tournament starting on Thursday October 6th and finishing Saturday October 8th. It was a challenging year for our girls after losing 4 of our top six players from last year. However by the state tournament I felt we were playing our best tennis. On the first day of the tournament we had several girls play 5 matches. Starting at 8am and not leaving the courts until 6pm makes it a long day. They represented Roosevelt well and I am extremely proud of their effort and attitude throughout the season. The following players participated in the state tournament. Flight 1 Allison Eichacker (10) 2 Jordyn Fossell (12) 3 Alana Moe (11) 4 Megan Sundvold (10) 5 Josie Smith (8) 6 Danica Hubers (8). Jordyn Fossell a senior did have a college coach visit during the season and this coach has shown great interest in Jordyn playing tennis for Wisconsin Lutheran University in Milwaukee, Wisconsin. Jordyn has a recruiting visit scheduled in November. Go Riders!
