### **Cheer Competitive - Michelle Krier**

**Activity Report:** Competitive Cheer was recognized as one of the fall teams through the SDHSAA that achieved a combined GPA of 3.0 or higher. Great accomplishment. Some of our competitors also earned Academic All-State and RHS Scholar Athlete awards. Although we are currently off-season, tryouts have already been scheduled for Friday Apr 13, 6 to 8 pm and Saturday Apr 14, 9am to 1pm. This is a fall sport and the season usually gets going in August with a camp to be held in the summer as well. We did unfortunately lose one coach who is now coaching cheer at the collegiate level. I have not been provided with any updates on filling the opening.

### **Cheer Sideline - Michelle Krier**

**Activity Report:** Football Sideline Cheer was recognized as one of the fall teams through the SDHSAA that achieved a combined GPA of 3.0 or higher. Great accomplishment. This past weekend the boys and girls basketball cheerleaders had a clinic with cheerleaders from SDSU. Sideline is also hosting a cheer camp on January 20th at RHS for kids in K-8. The campers will be performing at halftime of a game that day as well. Sideline will also be participating in the cake decorating and festivities at the RHS fan appreciation basketball game.

## **Debate - Elizabeth Wells**

**Activity Report:** The debate team is in the thick of their season. We returned from Blake, the largest competition we attend during the regular season, and had the honor of debating against the best competition from 127 schools, 33 states, and 4 countries! During this time, we were judged by multiple national champions, college coaches, and great former debaters.

Despite the tough competition, Roosevelt advanced one entry to the elimination debates for the first time in several years!

We then attended Westside where both of our novice policy teams made semi-finals. During the same weekend, we also competed at our conference where we maintain a strong first place position in debate (the final conference tournament will be February 3rd). Finally, the team competed at Sioux Falls Lincoln where we were co-champions in JV Public Forum, 3rd in Novice Public Forum, and Semi-finalists in Varsity Policy.

The team is coming up on some of our most important tournaments of the year. Wish us luck!
