Ron Waltman

Big change will be to involve Marching Bands rather than firework show

Eliminating fireworks will save \$3,500

WHS Marching Band will perform halftime of first game

LHS Marching Band will perform between the 2 games

RHS Marching Band will perform halftime of second game

Ford Drive For Your School has been confirmed 120 Test Drives are needed the morning of the President's Bowl game

\$20 per test drive will go back to the school that fills the test drive schedule

Although we are on track with last year, more sponsorships are needed

This is the largest fundraiser for SF Public High Schools

Last year the schools earned approximately \$51,000 each

The link to the sign up Genius for volunteers has been sent out. The Activities are listed and the number of workers required will determine the share of money they will receive. Track is not listed as they help with the 5K and Basketball helps with basketball tournament. Other activities may not be listed if they are in season at same time and have events scheduled.

1. Sign Up Genius

Kris Smith

1. <http://www.signupgenius.com/go/70A0944AAA728A75-p residents5>

The President's Bowl Committee has been approached by Mark Meile to earn extra money by cleaning Howard Wood after 12-15 activities throughout the season. There is potential to earn \$5,000.

It would take an average of 15-20 people depending upon the event.

It is primarily the stands that need to be cleaned, not parking or concessions.

RHS may agree to take on the cleaning even if other high schools choose not to participate. Would activities sign up to earn the money for their program or would it be a Booster Club responsibility and source of income?

**Students involved in activities are expected to sell 10 tickets each
Ticket order forms will be available on Rider Charge Day and Fall Sports Night**

Tickets need to be purchased in advance to earn \$5 of the \$7 ticket price for RHS - If purchased at gate, ticket fee goes directly to school district

2. Booster Club Spirit Committee Update *Kristi Irsfeld*

1. Planning for 2017-18
2. Need your sport/activity date for Future Riders and RR Nation ASAP.

Booster Club has \$150 in budget for each activity.

1. Girls and Boys BB and Soccer all have dates on the calendar already.

Waiting for approval on Volleyball RR Nation date.

c. Reps for Boosters *Kristi Irsfeld*

1. Need reps for each sport/activity- freshman, sophomore, junior, senior, and a lead rep. IF someone would like to be the lead rep in addition to the grade level rep, that is fine, too. The more reps, the more Booster members, the more benefits for the kids. Can have multiple parent reps at each level.
2. The Booster Club would like reps to only represent one sport or activity per child at RHS.
3. Reps must be Booster Club members, per the by-laws.
4. Please get these names to us ASAP.
 1. Kristianne.Irsfeld@k12.sd.us AND rhsboostersecretary@gmail.com

Activity Report: Finished 12th at the state meet. We scored 22 pts. Jasmine Greer won the shot put. Last year we scored 5 pts at the state meet.
